

Xerox Loyalty Rebate Program

Discover how you can save up to 75% off on a new Xerox® color printer.

The more you print, the more you save on the purchase of a new Xerox® color printer.

Rewards for Our Valued Customers

As a valued Xerox customer, you automatically qualify for a 10% rebate on any new Xerox® printer. If you own a Xerox® color printer you can save more—50% or even 75%—on a new color printer. The rebate amount is based on the number of pages you've printed on your current Xerox® color printer. It's just another way we're thanking you for being a Xerox customer.

To find out which rebate you're eligible to receive:

1. Print a start-up/configuration page* from your existing Xerox® color printer to determine your total pages printed.
2. Details about the program, the rebates available and information on how to submit a rebate claim can be found at: www.office.xerox.com/latest/RETFY-04
3. After you've purchased your new Xerox® color printer, it's easy to claim your rebate online.

Here's how you claim your rebate:

1. Purchase an eligible Xerox® printer from an authorized Xerox provider. Submit your claim to www.acbpromotions.com/xerox using claim code **XEROXLOYALTY14**. Scan and upload your start-up page for both the old and new printer, as well as the new printer invoice.
2. Xerox will mail the rebate check directly to you within 1-2 weeks.
